

## March Calendar!

By: Whitnee

It is time to start searching for your pot of gold! March is here. (If you do start looking for a pot of gold, just take my tip and don't go searching for the nearest rainbow around. I guarantee that you will NOT find it there). But, we do get a little present that is equivalent to a pot of gold in my eyes. SPRING BREAK! Jump for joy and shout hallelujah! It starts on Monday, the 12<sup>th</sup> and ends on Friday the 16<sup>th</sup>, weekends included. On the 17<sup>th</sup> we have St. Patrick's day. I strongly suggest wearing green. Then, on the 22<sup>nd</sup> we have a Dramatic Arts Festival at 8 a.m. Then, on the 23<sup>rd</sup> we have the Geography Challenge at 2:30 pm. I wish all of you that are competing the best of luck. Finally, we have the school spirit day (and assembly). I can't wait to see what the school has planned for us now! Usual reminders, we have binder check and recycling every Friday. Don't get too fooled by the leprechauns! Bye!

Spring is finally here!!!!

You know what that means right? We can start planting our fruits and veggies!!!! So fun right?!?! Well anyways planting isn't only fun its also good for you. You have to exercise and eat healthy to be ready for summer!!! Aren't you a beach babe? Well eat healthy and start planting!
